About Panskura Banamali College (Autonomous):

Panskura Banamali College (Autonomous) is a prominent government-aided institution located in Panskura, Purba Medinipur, West Bengal. Affiliated to Vidyasagar University, the college offers a wide range of undergraduate and postgraduate programs across the Sciences, the Arts, Commerce, and Teachers' Training disciplines. Postgraduate courses are also available.

The college houses two research centres focused on science, and on the humanities and social sciences.

Mode of the FDP:

The FDP will be conducted **both offline and online**. Participants may use the mode that is convenient for them.

The participants from Panskura Banamali College (Autonomous) **must** be physically present at the venue.

About the FDP:

This Faculty Development Programme aims to equip participants with the essential knowledge, the

pedagogical approaches, and the research orientation necessary to implementing the **Honours with Research** undergraduate programme that is key to the **NEP 2020**.

Objectives of the FDP:

1. Familiarizing faculty members with the NEP 2020 guidelines insofar as they relate to the four-year undergraduate programme (FYUP), especially to the Honours with Research track.
2. Enabling an understanding of the structure, credits, and outcomes of research-oriented undergraduate education.
3. Building the capacities of faculty members for mentoring undergraduate research projects, including research methodologies, proposal writing, project supervision, and assessment.
4. Encouraging interdisciplinary and multidisciplinary research approaches aligned with the NEP 2020's holistic and flexible curricular vision.
5. Promoting a culture of enquiry and innovation at the undergraduate level through the training of faculty members to help students conduct meaningful research.
6. Strengthening institutional preparedness for implementing research components, including ethics, data management, and publication practices.

Topics to Be Covered:

- Integration of research in undergraduate programmes
- Conceptualization of research questions and methodologies

- Brainstorming topics related to societal values and local requirements, based on the discipline being pursued
- Implementation of research methodologies
- Student mentorship for research
- Ethics in undergraduate research
